David Miller – Supervisor – Town of Alexander

Meeting May 16, 2022 by NY Green to discuss our needs on updating the Comprehensive Plan. He was seeing if the Village is interested in learning more about this to see if we would like to join along and possibly apply for grant money to help with the cost of this process. The Village board members and Mayor intend on going to this meeting.

Sharon Breton – attended to talk about a Tree Lighting Festival that she would like to help organize within the Village on December 3, 2022. Jenny Wall is helping organize as well. We encouraged her to put something in writing that can also be presented to the Town Board. The question regarding insurance was brought up and Danielle is going to look into this.

Attica’s Christmas festival is scheduled for December 10, 2022

Steve Mountain was present to address a couple issues and update of our Water and Sewer projects.

EPA letter needs to be addressed and taken care of asap. Danielle is going to email Attorney Wujcik to have him get involved with this matter.

-would like to remove the blocks on Route 98 in front of Alexander Deli. The Village put them there years ago to eliminate cars from driving on the grassy area. Troy could use them elsewhere. We need to see what else would be a good fix for that area.

-He needs to purchase back up pumps for the sewer

Dave Newton suggested the Troy start a list and keep track of hours and duties a part time/ full time worker would be doing if we need to hire additional help.

Motion for adjournment made by Trustee Newton, seconded by Trustee Grimes.

Time: 9:11 PM. Carried.

Respectfully submitted,
